Christina Anna Curtis  
Associate Engineer/Bicycle and Pedestrian Coordinator  
Public Works/Engineering  
City of Everett  
3200 Cedar St  
Everett, WA, 98201

Dear Christina Anna,

Congratulations to Everett on receiving the Bicycle Friendly Community designation at the Bronze level! This award is presented only to communities with impressive commitments to bicycling.

Enclosed you will find your 2021 Bicycle Friendly Community Award Certificate. If you would like to order Bicycle Friendly Community road signs, certificate duplicates, or Smart Cycling educational materials, please visit the League store online at: [bikeleague.org/bfcstore](http://bikeleague.org/bfcstore).

I have also included information from our partners at Eco-Counter to help your community more effectively collect and track ridership data to improve your Evaluation & Planning efforts.

Your 2021 BFC award status will be promoted by the League for four years, after which time your designation must be renewed. You will be reminded via email prior to the Fall 2025 application deadline. Until then, your community's 2021 award status and report card will be publicly available in our online award database: [bikeleague.org/bfa/awards#community](http://bikeleague.org/bfa/awards#community).

Once again, congratulations on your efforts to create a great Bicycle Friendly Community! Thank you for your engagement with the Bicycle Friendly Community program and for your commitment to improve bicycling conditions in your community.

Best Regards,

Amelia Neptune  
Director, Bicycle Friendly America Program  
League of American Bicyclists
